TRANSFORMING THE FISHERIES: NEOLIBERALISM, NATURE, AND THE COMMONS (PAPERBACK)

University of Nebraska Press, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. There is now widespread agreement that fish stocks are severely depleted and fishing activity must be limited. At the same time, the promise of the green economy appears to offer profitable new opportunities for a sustainable seafood industry. What do these seemingly contradictory ideas of natural limits and green growth mean in practice? What do they tell us more generally about current transformations to the...

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
